Potentate's Message

Nobles:

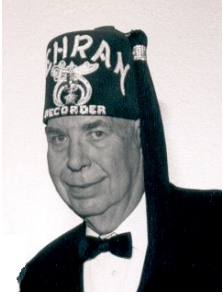

The 2nd annual Crab Feed is now history, and what history it has made! What a grand event it was. The guests were packed in like Sardines as they shoveled down pounds of crab. Chief Rabban Travis did a superior job of promoting and executing this highly successful event. Travis, my Fez is off to you!

With one half of the year coming to a close, I must say it has been a wonderful and memorable time for me and first lady Judie. The only down side of it being the fact that it is already half over. It has flown by and doesn't seem to be slowing at any rate as of yet.

As you read this, we will be either on the Pote's trip or attending the Imperial Session in Charlotte, NC. Either way, I assure you, I am having a grand ole time. As soon as we get back from Imperial, the Monte Carlo Night will be the next stop on the Shrine Fun Train. Get your "gamblin" shoes on and plan for a night of fun. SEE YOU THERE.....

FRATERNALLY;

Mike Nella

RECORDERS' CORNER

JULY

CHECK YOUR DUES CARD TODAY

check both your blue lodge and shrine cards

I know this gets to sound like a broken record, this is very important.

If your blue lodge dues are not current your shrine membership is not valid and your membership in shrine clubs, units and other groups which require shrine membership is not valid.

Current membership in Tehran Shrine is 562, of these 33 members owe for 2 years membership and 62 owe for the current year, in reality we only have 465 paid up members, I hope you are among the 465 paid up members. If you are not call the shrine office (559) 251-1991 and we can make arrangements to help you correct this situation.

On more pleasant notes, Tehran Shrine now has a full line of officers thanks to Mark Dawson and Chad Snider who have stepped up and have taken the jobs of second and first ceremonial master.

The car show was a success, another one is planned in the fall and the crab feed exceeded its' expectations and made a huge profit for the shrine, congratulations to Jason Wiener and his crew for the car show and Travis Cantrell and his crew for the crab feed.

Director General

Message

Welcome Young Guns (and Pistols, too). At the Western Shrine Association annual meeting at Reno in May, we met a dynamic young couple from Ballut Abyad Shriners (Albuquerque, New Mexico), Keith and Amanda Henry, who told us about a Unit they formed 4 years ago comprised of young Nobles. They call themselves the Young Guns and are a pretty vigorous unit. Their wives and significant others - the Pistols - are actively involved. Initially a social group, they have evolved into an active unit putting on good fund raisers for their transportation fund and have converted a temple room for child care and staffed it so their young nobles and ladies can attend any function without having to find baby sitters. We are taking their idea and they have been kind enough to share their organizational thoughts, what has worked and what has not, By-laws and other organizational materials with us.

With the approval of Mike and Travis, First Ceremonial Master Chad Snyder has been recruited to form this new unit. He and I had a 1 ½ hour conference call with the Henrys. All Nobles under age 50 will be invited to join. It should provide our younger Nobles with a unique opportunity to join together and engage in Shrine activities of their choosing. This provides us with another opportunity for membership recruitment and retention of the Nobles we need the most.

Your First Lady's Project and what your donations are going for. My goal is to raise \$5,000 by the end of the year for Camp Winning Hands. Remember to turn in your full mini coin box for an empty one! A big THANK YOU to all of you for helping me reach my goal. I will be visiting the Camp on July 8 and will report back to you in the next Monthly Scroll. Take care of yourselves and see you soon, Judie Houston

TO: BOARD OF DIRECTORS

BOARD OF TRUSTEES

Dear Board Member:

I am very excited to announce that after months of planning and production, the Shriners Hospitals for Children® national awareness campaign is now ready to launch. On June 11, 2012, we will begin telling the story about who we are and what we do through online and on-air television commercials, online ads, direct mail and public relations efforts. Our multiyear campaign is specifically designed to increase awareness of Shriners Hospitals for Children, drive donations, strengthen our reputation and unite our network of hospitals with a single message and voice. We will not be the best kept secret anymore!

At the core of the campaign are three commercials personifying our Love to the rescue theme. These 15- and 30-second spots feature actual Shriners Hospitals for Children patients, not actors, and highlight the orthopedic, spinal and burn care they received at our facilities. These inspiring stories of recovery and hope will be seen on more than 25 channels including CNN, E!, USA, TBS, Discovery and Fox News. You can view the first of the three TV commercials [here](#).

Because the national awareness campaign is expected to generate attention and questions, we want our hospital employees to know what we are doing and why. To accomplish this, each hospital conducted employee meetings in May to outline the campaign, its objectives and what each person can do to support it. Hospital employees will also get a preview of at least one of the commercials on June 7 or 8. It is a special privilege to be associated with Shriners Hospitals for Children. I know you will share the pride I feel as we bring our story to life for millions of people in the coming months and years. Thank you for supporting this significant step forward for our organization.

Best regards,

Michael G. Severe
