POTENTATE'S MESSAGE FOR JUNE

Last time I checked, spring was supposed to “officially” last until June 21st. This year, I wonder what is happening! As I write my message for the month, the temperature is approaching 100 degrees and we never even got into the 80s. So much for spring! Oh well, my cold, old bones are happy about it! Ha.

Regardless of the season, or the temperature, our year marches on and we continue to look forward to events and activities. Check the bulletin for our latest flyers, but I do want to point out a couple of very important highlights.

On Saturday, June 7th, we'll be enjoying our 3rd Annual Shrine Crab Feed. We are nearly sold out! So, this is your last chance to call the Shrine office and reserve your ticket. The cost is \$50.00 and worth every penny ... you can practically eat your weight in fresh crab! Of course there are other fixin's as well, but crab is the star. Hope to see you there, and bring some non-Shrine friends with you!

Even though our trip to San Francisco to see the Giants and Dodgers isn't until Friday, September, 12th, you should reserve your tickets as soon as possible to avoid missing this terrific trip. We'll travel as a group by bus for the game, making it a full day. There is a flyer inside with details, so be sure to look for that. Oh, and by the way ... my bride and I will be celebrating our 33rd wedding anniversary on that day so you know we'll make it a real party! Please join us!

Enjoy what's left of “spring” as it appears we're in for some hot weather this summer.

Yours in Faith,
Travis Cantrell
Potentate

Past Potentate Moves to New Home

R.R. “Bud” Baird P.P.’73 spent 3 years in the U.S. Coast Guard during World War II. Bud has been active in Tehran Temple for 65 years, a charter member of the Temple and Foot Patrol. Time has taken its toll on Bud, now 88 years old. He say’s I’m getting old. Living by himself for the last few years, I’ve had to cook my own meals, etc. I’ve lost 30 pounds.

But now Bud lives in the new Fresno Veterans Home, he’ll never have to cook another meal. It’s a very nice place and the food is very good too. The dining room is large with seating of four to a table. Bud has made many new friends like Fred 86, Ron 81, and Truitt 92. They have a lot of fun together. Bud is one of the first residents of the new \$159 million, 300-bed facility. Currently, there are only 24 residents. The goal is to admit eight veterans each month until the facility is filled. The home is located at 2811 W. California on 27 acres of land.

Bud invites all Shriners to stop by and see the newly opened Fresno Veterans Home. Ron Weiner, P.P.’84, visited Bud recently and the next day, Ed Kerber, P.P.”03, came by. They loved the way Bud decorated his room, always first class with lots of Shrine pictures and the world map of all the countries that he traveled to over the last 20 years, lots of good memories.
